Att: Mr. Lawrence R. Houston
General Counsel

Dear Mr. Houston:

Thank you very much for your letter dated 2 May 1952.

I have read your letter very carefully and still maintain some hope that some day my wish will come through.

If I may, I wish to voice my opinion that although the original position is void another opening may become available for which you may want to consider me.

If it should become necessary that ~~my~~ my chances of obtaining a position are better if I were to come to Washington, D. C., I would gladly spend one day there.

Thanking you again for your shown interest in this matter, I remain,

Respectfully Yours,

STATOTHR
